Clarification based on queries received during pre-bid meeting

Sr. No.	RFP Clause Reference No.	Original Clause	Clarification Required	Clarification Provided
1	Annexure-A	Above 1000 copies Above 100 Pages	In the Column of Above 1000 is not clear the actual quantity and in the column of page No. above 100 Page is not clear how many pages you want either then you can bring the rate in 4 pages of extra cost	Beyond 1000 copies, you have to submit the rate in multiple of 1000 copies (rates per 1000 copies) No. of pages are mentioned in the revised RFE
2	Annexure-B	Poster Size - 18 / 23, 18/25 & A3	Poster size in not mentioned in inch or cm, 0-50, 50-100, is not possible by offset printing and digital printing can't print 18x23 inch paper and 18x25 inch paper digital can print only A-4, A-3 and 13x19 inch paper	Mostly order size are >250 quantity for offset printing, but if the agency can print offset for <250, then agency can mention the rate in rate column.
3	Annexure-C	Offset printing Qty. 0-50, 50-100, 100-250	By Offset printing Qty. 0-50, 50-100, 100-250, is useless because you are already quote Digital printing rate in same Qty it will be cheaper then offset printing	Mostly order size are >250 quantity for offset printing, but if the agency can print offset for <250 order size, then agency can mention the rate in rate column.
4	Annexure-F	Hand Book	Pages in each book are not mentioned and what is mat paper .	Agreed with the point, kindly refer the revised RfE for changes.
5	Annexure-G	Flyer off set print 0-50, 50-100	0-50, 50-100, is not possible by offset printing	Mostly order size are >250 quantity for offset printing, but if the agency can print offset for <250, then agency can mention the rate in rate column.
