1	<p>Cohort size vs “12 Fellow Journeys” deliverable</p> <ul style="list-style-type: none"> • The payment schedule lists “12-Fellow Journeys” as a deliverable. Does this mean the total number of Fellows in the cohort is 12, and we must document journeys for all Fellows? • If the cohort is larger, are we expected to purposively sample 12 Fellows for journey documentation? If sampling is expected, please confirm any preferred representation criteria (e.g., across FSW/MSM/PWID/TG groups, geography, type of initiatives) 	<p>The current cohort of GenEqual Fellowship consists of 12 Fellows, and the RFP aims to document the journeys of each of these Fellows.</p> <p>Query 2 in this section has been addressed by the above information.</p>
